Sir:

This is an Information Disclosure Statement submitted in compliance with the timing requirements of 37 C.F.R. § 1.97(b)(3), i.e., prior to a First Office Action on the merits.

Attached is a copy of a European Search Report dated August 30, 2004, that was issued in connection with a foreign counterpart application. Listed for consideration are one U.S. patent and one U.S. patent application publication, which were cited in the aforementioned Search Report. Any relevance of the U.S. patent and the U.S. patent application is self-evident. The patent and application are listed on the attached Form PTO-1449.

It is hereby certified that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Since this Information Disclosure Statement is being filed before a first office action on the merits, no fee is required, and the requirements of 37 C.F.R. §§ 1.97 and 1.98 are deemed to be fully met as to all listed documents. Consideration of the listed documents is respectfully requested.
